

Since 1924, Toastmasters International has been recognized as the leading organization dedicated to communication and leadership skills development. Through its worldwide network of clubs, each week Toastmasters helps people of every ethnicity, education level and profession build their competence in communication so they can gain the confidence to lead others.

We invite you to stop by our booth #1838 at ASTD to learn more about Toastmasters. Feel free to visit our www.toastmasters.org or take a look at our <http://mediacenter.toastmasters.org/media-kit> for more info. If you would like to speak to someone at the show, please ask for Monique Berry, communications and marketing director, at our booth.

You may also connect with me by email and I'd be happy to assist you with any questions you may have.

Enjoy the show!
